## **About RapidTransfer**

RapidTransfer (Rapidsoft.ca) 11555 County Rd 42 - Tecumseh, ON - N8N 2M1

## **Personal Data**

RapidTransfer takes your trust and privacy very seriously and therefore aims to process as little personal data as necessary. You therefore do not have to sign up for an account, nor is there any other kind of log-in procedure. In order to use our Service and send your File, it is indispensable to enter your own email address, add the File(s) You wish to transfer (up to 2 GB) and the email addresses of the Recipients (up to 20). You might also add a personal message for the Recipients along with your File.

To make your next visit easier, RapidTransfer installs a cookie that remembers the e-mail address You enter for yourself and those of your designated recipients. If you use our service, RapidTransfer furthermore stores your IP-address, the aforementioned e-mail addresses, country and language settings, browser type and Flash version. RapidTransfer stores this data for a maximum of 12 months, whereafter it is automatically deleted. The File itself is stored on RapidTransfer's servers for a period of 3 days, whereafter it is automatically deleted. RapidTransfer does not monitor the contents of Files nor does it store any other than the aforementioned personal data.

**Purpose**

RapidTransfer processes personal data for the purpose of (i) operating the Service and/or Website and (ii) to follow up on abuse reports, to cooperate with law enforcement and NTD Reports. RapidTransfer does not sell or otherwise distribute your personal data to affiliate or third parties and will not send You newsletters or use your personal data for any other purposes then stated above. To evaluative the use of our Website and Service as well as for statistical purposes, only anonymised data shall be used.
